#### <u>AMENDMENTS</u>

### **Amendments to the Specification**

The specification is amended as shown on the following pages under the heading AMENDMENTS TO SPECIFICATION.

### **Amendments to the Claims**

Before calculation of the filing fee and examination of the application, please amend the claims as shown in the following LIST OF CURRENT CLAIMS, which indicates the status of all the claims in the application and all amendments to the claims. Any cancellation of claims is made without prejudice or disclaimer. Applicant reserves all rights to the original disclosed and claimed subject matter. None of the amendments are intended to narrow the scope of any of the original claims.
